

HOLIDAY READY-DESIGN OPTIONS

In order to help assist you with your artwork, we offer a variety of metallic and standard ready-design options for you to choose from. Please look over the next several pages and get an idea of what you would like your custom printed item to look like. If you would like to change the greeting, text color, font, or if you see a holiday message on one design that you would like to see on the background of another, we can make those adjustments for you. Color changes can be made to our metallic designs upon approval with our art team. These ready-designs are a great starting point for creating your custom printed item.

1. ARTWORK

Send us your logo and your ready-design option name, along with any additional instructions. Our in-house art team will create a design to your specifications and send you a proof.

Your logo

Your Ready-Design option

2. REVISIONS

After receiving your proof, please review it closely to see if it meets your specifications. If you need revisions, you can email us with your changes and we will promptly send new proofs for your approval.

Revisions:

Please change logo color to brown on the packaging

3. APPROVAL

Once the design meets your approval, we will move your order into production. Your full-color printed item is sure to be a great complement to your chocolate.

NEW metallic Ready Designs featured in pages 2-4!

METALLIC INK DESIGNS

These designs are printed using our **NEW** gold and silver metallic printing capabilities. Each design utilizes our new capabilities in their own unique way, and will have a callout swatch off to the side showing the metallic ink(s) used.

Gold Pantone 871

Silver Pantone 877
