SUMMER READY DESIGN PACKAGING

*Totally
Chocolate™*

**Creating a unique gift
has never been this
easy or eye catching!**

In order to help assist you with your artwork, we offer a variety of summer-time ready-design options for you to choose from. Please look over our collection and get an idea of how you would like your custom printed item to look. If you want to change the greeting, text color, font, or if you see a message on one design that you would like applied to another, we can make those adjustments for you. Many of these designs have gold and silver metallic inks applied, each utilizing this capability in their own unique way. Be sure to check out the available color options featured below each design. These are a great starting point for creating your custom printed item.

1. ARTWORK

Send us your logo along with your desired design name and swatch option, as well as any additional instructions. Our in-house art team will create a design to your specifications and send you a proof.

2. REVISIONS

After receiving your proof, please review it closely to see if it meets your specifications. If you need revisions, you can email us with your changes and we will promptly send new proofs for your approval.

3. APPROVAL

Once the design meets your approval, we will move your order into production. Your full-color printed item is sure to be a great complement to your chocolate gift.

METALLIC INK DESIGNS

Many of these designs are printed using our gold and silver metallic printing capabilities. Each design utilizes our new capabilities in their own unique way. Make sure to take a look at our available color options for most designs below.
